INSTALLATION MANUAL | CZ-650

Assembly instructions

CZ-650 massage chair arrives in two boxes.

- 1 Open box 1. Pick up the accessory box. Take the chair out of the box.**
Inside the accessory box there are: 1 power cord, 1 Phillips screw driver, 2 catch pins, 1 user manual, 1 instruction manual, 1 service card.

- 2** Plug in the power cord and turn on the power switch. Wait for the chair to automatically move to its home position. Once the chair is fully inclined, unplug the power cord.

- 3** **Locate the two catch pins on the support lugs of the chair base.**
Take them off and put aside the chair base. Do not dispose.

- 4** **Open box 2.**
Take the footrest out of the box and move it close to the chair.

- 5** Align the two white dots on the wire connectors first. Then connect the wire connectors and crew the threaded cap tight. Connect the air hose connector.

6 Fully connect the footrest to the base. Hang the footrest on bolts of the base. Lock the footrest with the two catch pins.

7 Zip the zipper between the seat pad and footrest cushion.

8 Place the remote control onto remote control holder. Attach the palm sensor into place.

9 Connect the chair to a power supply and turn on the power switch. Now your massage chair is ready to go!
